

## Recall Notice

### Selected Lots of DUKAL™ N95 Respirator – Surgical Mask

Dec 18, 2020

Dasheng has determined that selected production lots of the following three DUKAL™ Particulate Respirators have not completed the NIOSH private label application yet.

These products under recall were produced between Dec, 2017 to Oct, 2019.

Product	Affected Lots					
1570	-	DS07218	DS32718	-	DS25319	-
1571	DS35717	DS07218	-	DS17619	-	DS23020
1572	-	DS07218	-	DS17619	-	-

LOT Code Rule

2-digit Supplier sode	3-digit Julian Date	2-digit Year	Sample
XX	DDD	YY	
DS	176	19	DS17619

Please review your product inventory; if you have any of these products from the specific lot codes listed above, please contact Dasheng at [jenny@dashengmask.com](mailto:jenny@dashengmask.com) for return and replacement information.

Due to the shelf life of the products is 3 years, the products produced before Dec, 2017 (LOT code before DS35717) should be discarded immediately.

See Image 1 below for location of lot code on each mask. The same lot code will also be on the bottom of color box, see Image 2 below.

We are correcting the issue to submit private label application for DUKAL™ brand, and let DUKAL™ be a private label holder.

We regret any inconvenience this situation may cause and appreciate your continued patience.
